

# Jesus Knew How to Cook

With Love, Elizabeth Ann Nofs

# In this Gospel

First Communion, May 2019  
St. Mary Magdalen, Michigan Fr. David Howell

if you were  
listening...

**Jesus** did something very different

We never  
hear of  
**Him**  
doing it in  
all the four  
Gospels

He fixed a meal for his disciples.

Isn't that  
**Amazing?**

**Jesus**

knew how to  
**cook!**

Yeah! **He** had a fire built...

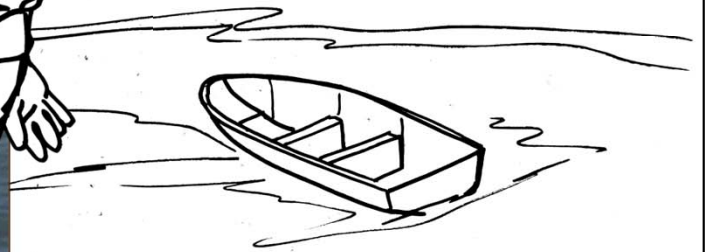

There  
was some  
grilled **fish**  
and some  
**bread**  
that **He** made  
on that fire

They had been out **fishing** all night long...

Did they  
**catch**  
anything?

No, not until **Jesus** helped them

Then they brought in **more than**

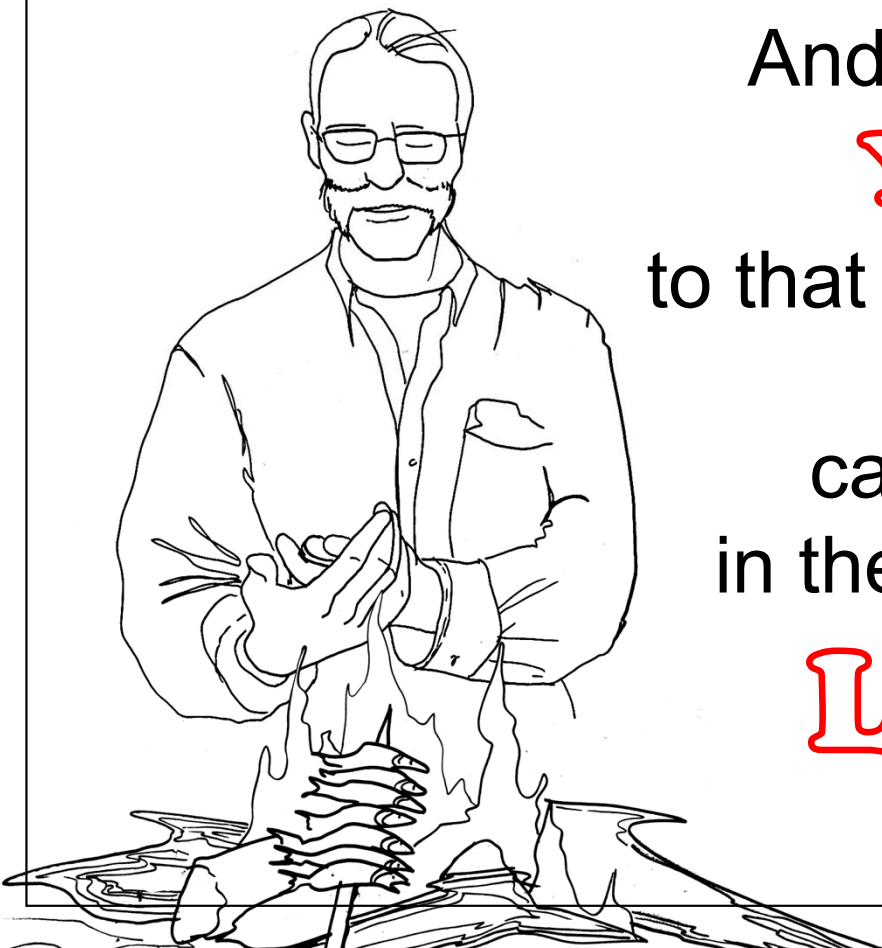

they  
could  
even

**imagine**

It's the **Lord** who sets the Table today

And we invite  
**YOU**  
to that table so that  
**YOU**  
can share  
in the life of the  
**Lord**

That's why the Apostles were able to do **so much**

Because  
they grew  
strong  
in the

**Lord**

# Sharing in the **Lord's Meal**

And  
that's what  
**we're**  
invited  
to do

So **Today** is the beginning

Just the  
Beginning!
